High mast poles

Urban Lighting Group high mast lighting poles are suitable for all kinds of industrial and sports lighting applications. From the smallest club up to large stadiums, our expert staff can design a solution for your project. All poles feature 2 bolt luminaire fixing for extra safety, and large access doors for easy internal gear fitment.

Options

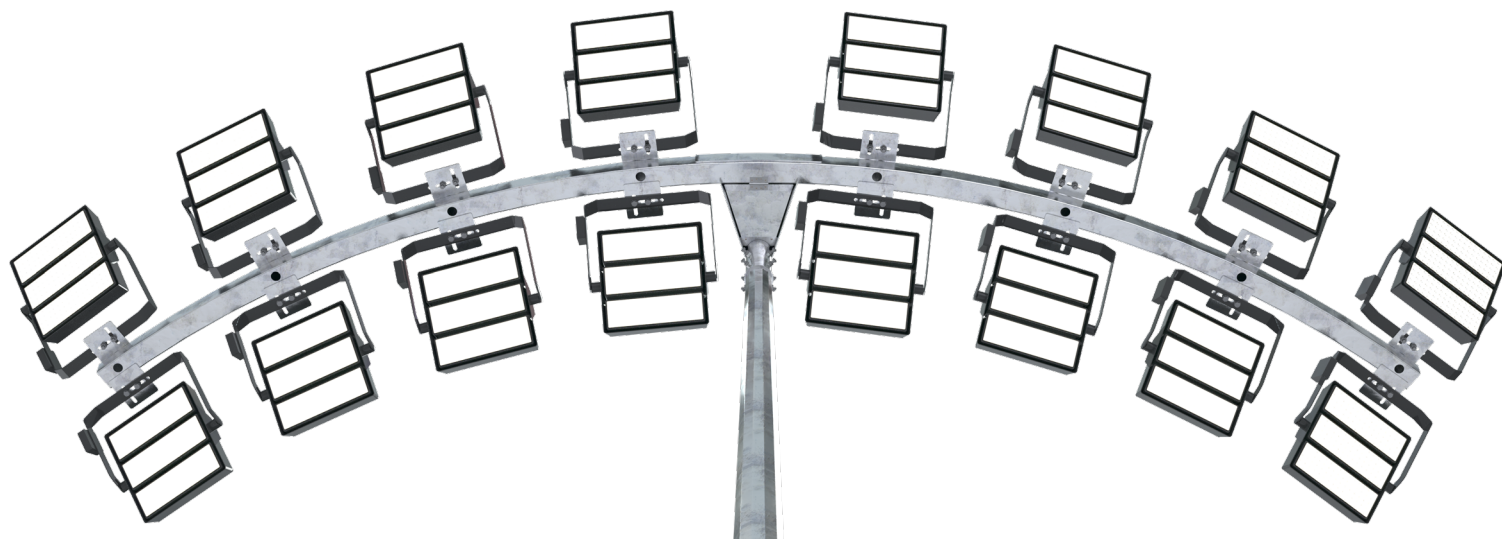

- Custom designs
- Straight or curved headframes
- Lightning rod

Poles

Model	Height	# of luminaires	Spigot	Base	Doors	Weight
FL20-D2-102475	20.0m	4	102mm	6 x M36 @ 600 PCD	2 @ 800x250	691kg
FL20-D2-102525	20.0m	8	102mm	12 x M30 @ 650 PCD	4 @ 800x250	1025kg
