

Network Authority - Victoria

Major Road Outreaches - VESI

Major Road Outreaches are suitable for mounting V category roadway luminaires onto rigid, slip base and impact absorbing columns. These outreaches have a Ø42mm luminaire spigot, and fit a Ø102mm x 500mm column spigot. Available for all network authority areas in Victoria.

All Urban Lighting Group columns and brackets are made from hot dip galvanized steel, and can be painted or powder-coated in your choice of colours.
